English (15 Marks)

Q.1 Read the passage carefully and answer the questions that follow: 4

Bee live in a house that is called a hive. There are three kinds of bees workers, drones and queens. Only one queen bee can live in each hive. If she is lost or dead, the other bees will stop their work. Bees are very wise and busy little creatures. They all join together to build cell of wax for their honey. Each bee takes its proper place and does its own work. Some go out and gather honey, others stay at home and work inside the hive. It is not safe for children to handle bees. Bees have a painful sting that they use in their defence.

1. How many queen bees live in a hive ?

Ans: _____.
